Tempo

Comprehensive collection of accessories with a minimalist design, perfect for urban, elegant and modern bathroom spaces.

Elegance

The softness of lines is what defines the **Tempo** accessories. Their neutral design fits into a large number of contemporary proposals, providing the maximum functionality and comfort at all times.

Comprehensive range

The collection includes all necessary accessories to turn your bathroom into a space that suits your needs. Robe hook, soap holder, soap dispenser, tumbler holder, towel rail, shelf, container, towel rack, toilet roll and toilet brush holder. All of them available in two versions for their countertop or wall-hung installation.

Long lasting finishes

Tempo presents high-quality finishes thanks to its anticorrosive and highly resistant gloss chrome plating. In order to ensure the maximum durability, it is advisable to avoid abrasive products and to clean with a damp cloth.

Easy installation

Functionality is based on simplicity. For this reason, the **Tempo** collection includes a mounting kit for an easy, quick and comfortable installation by means of a fastening system.

Roca warranty

A century-long experience supports Roca's relationship with bathroom spaces. A path of progress that has turned this company into a reference point in its sector.
