Washbasins & Furniture

Optica basins and furniture combine dynamic design with playful charm, offering versatile shapes and smart storage solutions for a stylish bathroom.

Optica basins are designed for those who believe that every detail counts and who see their bathrooms as a space for creativity and self-expression. Round, square, or semi-circular in three timeless finishes, these basins bring personality to any bathroom while keeping things fresh, functional and effortlessly chic.

Available in white, matt white or matt black, Optica basins bring effortless sophistication to any bathroom with versatile shapes, suitable for both compact and spacious layouts.

Variety of finishes:
available in white, matt
white and matt black.

**Versatile range of
shapes:** round, square
and semi-round
over-countertop basins.

Flexible sizing: range basins
to suit any bathroom layout,
including wall-hung designs and
pedestal options, perfect for
compact bathrooms.

Available in a range of shapes

Three colour finishes:

Complete The Space

Choose elements from different collections to match the Optica basin.

Cala Faucet

A sleek, symmetrical design that combines ergonomic comfort, exceptional functionality and contemporary style.

Hotels Accessories

Modern, minimalist designs with versatile solutions, from towel rails to soap dispensers, to suit any bathroom style.

More than just furniture, Optica units are the backdrop for daily rituals, making mornings smoother and evenings calmer. Beauty meets order with the clean lines, quality features and elegant finishes of this furniture range.

Modern silhouettes with clever storage options transform the bathroom into a beautifully functional space, seamlessly blending style and utility. By incorporating spacious wooden drawers and interior organizers, Optica furniture maximize storage while enhancing the overall aesthetic, creating a practical yet elegant environment.

Soft-close technology ensures smooth, silent closing for added comfort.

Wooden construction, with durable lacquered or melamine finishes.

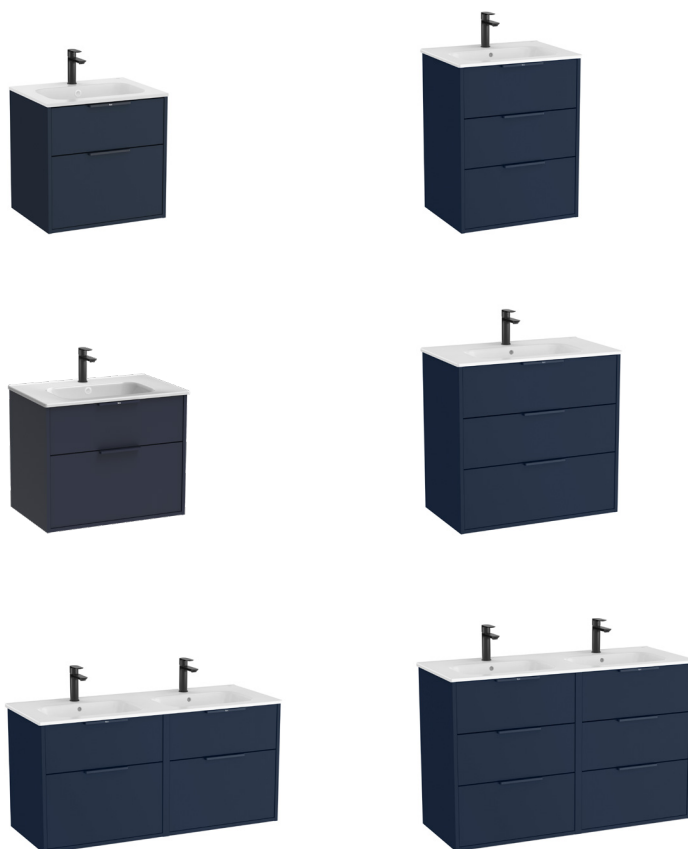

Framed drawer design with large, practical handle for a modern touch.

Internal organiser in first drawer and large capacity in second drawer.

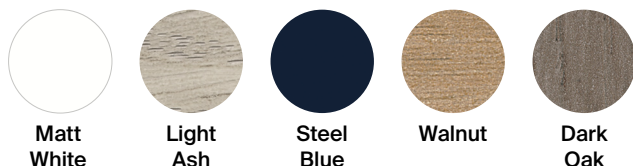

Optica furniture offers a versatile range of elegant finishes, from lacquered options in matt white and steel blue to melamine textures in light ash, walnut and dark oak.

Available in two or three soft close drawers

Five colour finishes:

Complete The Space

Choose elements from different collections to match Optica furniture.

Iridia mirror

Complementing the Optica range with integrated LED lighting that creates a serene ambience to enhance daily rituals.

Hotels Accessories

Modern, minimalist accessories with a wide range of solutions for any bathroom.

Toilets & Bidets

Comfort and elegance are redefined with these toilets and bidets designed for modern lifestyles. With sleek profiles and innovative technology, Optica toilets and bidets complement the aesthetics of the bathroom while ensuring superior hygiene and sustainability.

Optica toilets and bidets combine superior comfort with contemporary design. Toilets feature Roca Rimless® Vortex for easy maintenance, while hidden fixings and a comfortable bowl height add style and convenience.

Designed for a more sustainable lifestyle, Optica toilets feature a dual flush system that helps reduce water consumption with efficient flushing options.

Efficient flushing: dual flush (4.5/3L, adjustable to 4/2L) for reduced water consumption.

Roca Rimless® Vortex system: for superior cleanliness and efficiency.

Hidden fixings: sleek, minimal look with concealed fixings.

Customised seat options: soft close or standard seat and cover options with quick-release hinges for easy cleaning.

Comfort height: toilets with 420 mm bowl height for added comfort.

Close-coupled Roca Rimless® WC

Single floorstanding Roca Rimless® Vortex WC

Wall-hung Roca Rimless® Vortex WC

Bidet and wall-hung bidet

Complete The Space

Upgrade the Optica toilet with a compatible smart toilet solution.

Multiclean® M4

The Multiclean® M-Series puts today's technology within everyone's reach. Easy to install and sleek in design, the Multiclean® M4 is the opportunity to transform the standard Optica toilet into a fully-fledged smart toilet with IoT connectivity via Roca Connect and the mobile app.

Our contribution to a more sustainable future for all

Our commitment to sustainable growth and development prioritises the wellbeing of people and the planet. This commitment is reflected in our efforts to foster strong societal relationships and support communities, as well as initiatives in decarbonisation, eco-design and circularity. We create high-quality, durable products by considering their entire lifecycle, from carefully selected materials to optimised transport methods. Our aim is to combine the needs of society with environmental responsibility to deliver solutions that benefit everyone.

Products

Dual-flush mechanism. Dual flush cisterns offer adaptable water use, ensuring efficiency for different flushing requirements while reducing overall water consumption.

Smart shower. Smart shower solutions allow programmable shower options and monitor water usage to encourage responsible and sustainable use.

W+W. Integrating the washbasin and toilet into a single piece, this internationally acclaimed design reuses water from the washbasin to flush the toilet.

Certificates. Many of our products are made from FSC®-certified wood.

Our water-using products carry the Unified Water Label water efficiency labelling system to help consumers understand the water and energy use in these products.

Technologies

Cold Start. Cold Start technology prevents unnecessary boiler activation by defaulting to a cold water start position. This innovation saves energy and reduces emissions released into the atmosphere.

Aerators. Faucet spouts with aerators that mix air with water help to reduce the flow rate while maintaining the same functionality and comfort.

Thermostatic faucets and fittings. Quick Reaction® technology delivers desired temperatures rapidly and an eco-stop button contribute to water conservation in showers.

Materials

Stonex®. An improved formula for Stonex® baths uses recycled PET bottles, reducing the carbon footprint by up to 25%.

Initiatives

Pioneering sustainable ceramics

Our recent partnership with Keramischer Ofenbau marks a significant step towards sustainability as we launched the world's first electric tunnel kiln for the production of sanitaryware. This pioneering initiative positions us as a global leader in the operation of a net-zero sanitaryware manufacturing facility, setting a new standard for the industry.

Through collaboration and innovative technology, we aim to lead the way to a sustainable future for the ceramics industry.

We Are Water

For over a decade, the We Are Water Foundation has promoted global hygiene and sustainable water management, improving access to clean water and sanitation in disadvantaged regions while raising awareness and providing training.

Commitment

Sustainable and Ethical Commitment

Roca Group is committed to implementing responsible business practices that prioritise environmental protection, social responsibility and ethical behaviour.

EcoVadis Platinum Medal recognises Roca Group's outstanding sustainability performance.

As a proud member of the **United Nations Global Compact**, sustainability forms an integral part of our commitment and we work in line with the targets of the **Sustainable Development Goals**.

* Data from 2018-2023
** Data from 2023

Roca is a family-owned company dedicated to the design, manufacturing, and sale of bathroom solutions for architecture, construction, and interior design. Founded in Barcelona in 1917, it combines tradition and knowledge with a passion for innovation and respect for the environment.

With sustainability as a key element in all its processes and a commitment to ensure a better planet for future generations, Roca is present in 170 countries, operating 78 factories across the five continents with more than 20,000 employees.
