Toilets & Bidets

From start to finish, The Gap incorporates subtle improvements in design that add up to make a big difference. Toilets, bidets, seats and covers make use of materials and technology that make them more hygienic and user-friendly, while at the same time sporting a sleek modern style. With its iconic and refined aesthetic and endless opportunities for personalisation, The Gap represents the union of adaptability, dependability and practical modern design.

Wall-hung square compact toilet

The Gap unites many of Roca's most noteworthy innovations in hygiene into a single collection. The elimination of the toilet rim in The Gap's Rimless models means less germs and easier maintenance. Seats and covers are made with our patented Supralit® material whose anti-porous qualities make it ultra-resistant to bacteria. These features combine to create a safer, more hygienic home for you and your loved ones.

Extra Columns

Roca's Extra collection of wall-hung furniture columns offers solutions for those that require additional space for toiletries, towels or other necessities. These units come in 750mm or 1500mm heights, and can be personalised with one of several finish options, ensuring you can find precisely the style you need to complete your space.

Cala Faucets

A simple and charming faucet, Cala is one of Roca's most practical choices for the bathroom space. Cala is a single-lever faucet with a smooth, cylindrical body, and incorporates our Cold Start design to save energy and prevent boilers from releasing unnecessary CO² into the atmosphere. Pair it with one of The Gap's basins to bring fresh style and functionality to your bathroom.

Hotels Accessories

Hotels is Roca's most extensive accessories collection, featuring towel racks, towel rails, toilet roll holders, robe hooks, soap dishes, soap dispensers, tumblers, shelves, waste bins, toilet brushes and brush holders. Like The Gap, Hotels is an endlessly adaptable collection whose pieces carry charm enough for a private home and durability enough for a public space.

Terran Shower Trays

At Roca, we adhere to a philosophy of constant improvement in every element of the bathroom space – even elements as simple as a shower tray. Our Terran collection of textured shower trays are made with Stonex®, an extra-durable, slip-resistant material that brings added style and safety to the shower. Its grated shower drain grids come in a sleek square design, or a circular pattern inspired by water droplets.

Brisa Shower Enclosures

Like The Gap, Brisa shower enclosures are highly adaptable and available in an ample range of sizes, versions and profiles. Brisa's panes feature treated MaxiClean glass, and its soft-closing doors come in swinging or sliding variants. Opt for a profile in polished silver for a classic look, or choose matt black to generate a striking contrast.

Vythos rectangular acrylic bath

Vythos Baths

The bath is that rare space that allows you to escape, if only for a few minutes, the worries and annoyances of the outside world, and few sensations are more pleasurable than feeling your body glide into a warm tub. Complete your bathroom with a Vythos acrylic bath and give yourself the maximum in self-care.

Roca is a family-owned company dedicated to the design and production of solutions for the bathroom space. From our beginnings in Barcelona in 1917, our continued excellence in our field has allowed us to grow into a global benchmark in sanitaryware manufacturing. At the heart of our business is our commitment to developing beautiful and functional bathrooms that contribute to better standards of living and improve users' wellbeing.

At Roca, we believe in uniting quality and authenticity. By focusing on what's important, we bring out the beauty in the everyday. Our designs are instinctive and intentional, always with an eye towards sustainability. Drawing on the knowledge and expertise of our global network of professionals, as well as over 100 years of experience in the sector, we develop innovative and sustainable solutions that promise to refine your bathroom while bringing simplicity and comfort to your daily routine.

Roca is one of the largest and most trusted manufacturers of bathroom products on the planet. We operate 77 production facilities across five continents, employing over 21,500 people and serving over 170 markets.
